REMARKS/ARGUMENTS

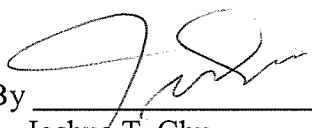

On page 2 of the "Notice To File Corrected Application Papers - Notice of Allowance Mailed" dated April 27, 2011, a copy of which has been enclosed, the Publications Branch indicated that, "The drawings filed 04/01/2011 include FIG. 12, but the specification's brief description of the drawings does not describe a drawing with that designation."

In accordance with the above-referenced Notice, and the Waiver of 37 C.F.R. § 1.312 for Documents Required by the Office of Patent Publication, 1280 Off. Gaz. Patent Office 918 (March 23, 2004), Applicants have now amended the specification to add a brief description of FIG. 12. Applicants submit that the change to the specification has been limited to correction of the informalities noted in the Notice, and as such, may be filed after payment of the issue fee.

The Commissioner is hereby authorized to charge any fees which may be required by this paper to Deposit Account No. 03-1728. Please show our docket number with any Deposit Account transaction.
